

Minutes from April 7, 2010 PTG Meeting

* Treasurers Report:

- Fish Fry profit: \$5203.03 for 7 fish fry's.
- Sarah wrote a check to the school for \$8000.

* Father Adolph:

- Meeting with the Diocese revealed nothing new with the strategic planning related to the school. The report is now due out in May.
- St. Paul's in Kenmore is closing.
- Nothing is changing in our school for next year, except that we will only be using one building, the red school. Religious Ed will continue to use the white school. We'll eventually look at selling or renting out the white school. Having a second building may be a benefit if the Diocese decides to make a regional school in our area.
- The Parish subsidy to the school is \$360,000. In "healthy" schools the PTG is contributing 15% of the budget.
- Weather Word – we won. This can be a great marketing tool for the school since we will be on TV.
- The Lawn Fete is coming up. Theme basket profits are for the PTG, please volunteer to help out.
- Father Adolph is looking forward to the upcoming confirmations and communions.

* Mr. Gardon:

- NYS (ELA) testing is coming up, probably April 27 – 28 for grades 3-8. It is the first time some of these grades are taking them. There is no pressure on the kids, it is just a self-assessment tool so we can work on our curriculum and standards.
- The teachers are continuing to earn Catechist Formation hours.
- Fiddler on the Roof will be May 6th and 7th at 7 pm. Please come and support the kids.
- Weather Word: the weather machine will come on a Friday, Chris is checking dates with Andy Parker. Parents are welcome to come and watch. All grades will be at the presentation. We should do some kind of a special celebration since this will be on TV. The parents should head up this effort, since we all worked together on this and it was nice for the kids to see that teamwork. OLV did help us win last month, so please help them this month if possible.

* Mrs. Matte – 1st Grade:

- In religion they are learning about the life of Jesus and the Saints.
- 1st grade mass is on Ascension Thursday.
- They have been doing a lot of independent reading, getting ready for 2nd grade.

* Old Business:

- Thanks to Kim for all the hard work on the fish fry and to all the kids who helped. They did a great job!
- We sold 1257 fish fry's, 213 shrimp dinners, and 308 chicken finger dinners.

* New Business

- Plant Sale – orders need to be in by Friday.

- Monte Carlo – Everything is on track.
 - o Tickets sales and Peyton Manning ticket sales are going well.
 - o Wayne Taneff sales has donated Bills season tickets.

 - o Delivery date will be May 28th – same day as plants.
- Vendor Show – Party Lite show did okay.
 - o We would like to have a vendor show (as a gift gathering party) where we sell tables for \$10 each and each vendor would have to donate a basket as well. Sort of like a craft show, but with different types of home-businesses like Pampered Chef, Avon, Party Lite, etc. We would like the majority of vendors to be families from Sacred Heart so we can help them promote their businesses as well. We need to figure out a date for this.
- 5th Grade Grandparents Mass – asked for a \$200 donation again this year to pay for food and gifts.
 - o The measure was voted on and passed unanimously.
- The PTG would like to place an ad in the program for Fiddler on the Roof.
 - o A whole page ad only costs \$20. The PTG approved this expense.
- Weather Word Celebration – the kids should wear their uniforms when Andy Parker comes.
 - o We should make a big production of it. Decorate the gym with all of the weather words from the month we won.
 - o Maybe we could come up with a Spring Weather Word song for the occasion.
- The Chuck-E-Cheese fundraiser has been scheduled.
 - o April 28th, Wednesday from 3 – 9 pm.
 - o When you order your food and tokens, let them know it's for the school. We get 15% of sales.

Meeting adjourned.
